## The Store of a Thousand Practical Gift Suggestions

More and more do useful, practical, Holiday remembrances gain in favor with the one who receives and the one who gives. The purely ornamental and "pretty" things around which the spirit of remembrance clings not for long, are gradually losing caste, for these are days of serious thinking with folks who give for true friendship's sake. And so, for this year's giving, we have collected great holiday stocks whose most prominent feature can be expressed in a word—usefulness!
